Solar Eclipse

20th March 2015

University of Glasgow

20-Mar-2015	Time	Direction
Start	08:30	117° (ESE)
Max (94%)	09:34	133° (SE)
End	10:43	155° (SSE)

Come along 8:30-10:30am to the Fraser building or South Front where we will have (weather permitting) eclipse viewing areas so that you can safely* see this rare partial solar eclipse.

**Do not look directly at the sun with your naked eyes, even during an eclipse.*
