## Your travel information

### No hold baggage

Please go straight to security

### Cabin luggage

Flybe allow all passengers to carry one item of standard cabin baggage no larger than 55cm x 35cm x 20cm, plus a second smaller item of personal cabin baggage. The combined weight of both items of cabin baggage must not exceed 10 kg. All cabin bags must fit in the Flybe baggage sizers provided at the airports, including wheels and handles. Any additional, overweight bags will be checked in at the departure gate and a charge of GBP 50 may apply. Please note; your cabin baggage may be subject to random compliance checks. Please see Baggage Terms and Conditions for details of services operated by our codeshare and franchise partners.

### Photo ID compulsory on this flight

Bring a valid passport, national identity card, driving licence or other accepted ID card  
See website for more information.
